EXPANSION

MUM + DEL Season 2

Each show has a theme that goes progressively deeper into pet culture — four chapters of the same story, each building community and raising stakes for the next. Same DNA, different energy. The theme shapes the vendor edit, possible activities, and signature activation. Everything listed per show is what *could* happen — not all of it will, and the mix is refined closer to date.

SHOW 01 · JUN 2026

THE DEBUT**BROAD · WELCOMING · FIRST IMPRESSION**

The introduction to CatsCaNDance — widest possible appeal. Vendor edit covers food, accessories, grooming, photography. 2–3 curated brands. Energy is curious and excited. Social promotes as a neighbourhood Saturday event.

Could Include

- ▣ Pet Portrait Booth · ▣ Lookalike Contest

Polaroid or digital print takeaway for every pet. Lookalike contest pits pet parents against their animals — crowd votes. The “tell everyone you came” moments of the season.

SHOW 02 · JUL 2026

THE GROOM ROOM**FASHION · GROOMING · STYLE**

All about looking good — pets and parents alike. Fashion, grooming, accessories. Vendor edit leans into apparel and grooming brands. A natural playground for partner integrations and style-forward content.

Could Include

- ✂ Live Grooming Demo · ▣ Best Dressed Contest · ▣ Style Booth

Partner grooming brand runs a live demo on stage. Best Dressed Pet + Parent voted by crowd. Dedicated style photography corner for content creation.

SHOW 03 · AUG 2026

ZOOMIES**AGILITY · PERFORMANCE · SPEED**

Dogs doing what dogs do best. The most physical show of the season — movement, competition, raw energy. Vendor edit includes nutrition, training and performance brands. First taste of the finale's agility competition.

Could Include

- ▣ Two Agility Courses · ⚡ Timed Speed Run · ▣ Performance Contest

Two simultaneous obstacle courses — beginner and advanced. A timed speed run that seeds the competitive energy of the finale. Any breed, any age, any skill level welcome.

SHOW 04 · SEP 2026

THE BIG TEASE**SHOWCASE · JUDGING · FINALE PREVIEW**

Think dog show, cat show, pet parent show — structured judging, categories, ceremony. The community is fully formed. Grand Finale tickets drop exclusively at this event. Biggest buzz of the four shows.

Could Include

- ▣ Pet Showcase Judging · 🏆 Golden Paw Awards · 🎬 Exclusive Finale Drop

Structured categories judged on stage — Most Dramatic Cat, Best Dressed Duo, Most Likely to Judge Everyone. Finale tickets go on sale on the night, first access for attendees only.
